

How to use this Advent Calendar

This Advent, follow along our Advent Calendar to find ideas for fun activities to prepare for Christmas. There are 4 full weeks of Advent this year, so the girls at CALA came up with 28+ ideas for you to enjoy!

Each icon on the calendar links to the page with the appropriate week in this package. There you'll find the theme of the week and fun activities for each day. For some activities, we also compiled extra resources so that you can find as much as you can in your Advent Kit!
